

MINI Special 30™

For sensitive stomachs and fussy small breed dogs from 11 months to 8 years of age.

Enhanced Palatability

Some small breed dogs may not enjoy and even sometimes refuse to eat their food. A combination of exclusive natural flavours and aromas of the highest quality satisfy even the most demanding palates to ensure that your small breed dog will enjoy mealtime every day.

Maximum Digestibility

A combination of extremely digestible proteins (dried egg powder, chicken meal, etc.), FOS*, brown rice, flaxseed, chelated minerals, beet pulp promote easy digestion.

Nourishes the Skin & Coat

A beautiful coat and soft, supple skin is the best sign of a dog's good health. Omega 6 fatty acids (4.52%), omega 3 fatty acids (0.89%), chelated zinc, chelated copper, folic acid, vitamin A, biotin and selenium strengthen skin cells and promote a beautiful shiny coat.

Reduces Tartar

Sodium tripolyphosphate, decaffeinated green tea polyphenols and adapted kibble size, shape, texture & density effectively "brush" the teeth to help prevent the formation of plaque and tartar.

*FOS - Fructo-oligosaccharides
